ADDITIONAL INFORMATION

The Distributor and the Lead Manager may have a conflict of interest with respect to the distribution of the notes because they will receive the Selling Fee and the Management Fee from us, respectively, in each case determined as a percentage of the face amount of the notes being placed, as indicated in "Distribution" above.

Moreover, conflicts of interest may arise with respect to the distribution of the notes because the Lead Manager acts (a) as hedging counterparty of Goldman Sachs International, which is part of the same group of the Issuer, in relation to the issuance of the notes and (b) as liquidity provider, providing bid/ask quotes for the notes for the benefit of the noteholders. An application shall be made for the notes to be admitted to trading on the DDT, which is exclusively managed by the Lead Manager and on which the Lead Manager acts as sole specialist (*negoziatore unico*).

In addition, an application shall be made for the notes to be admitted to trading on the Euro TLX, on which the Lead Manager acts as specialist.

The Distributor and Lead Manager, or their affiliates may, in the ordinary course of business, perform activities involving other securities issued by the Issuer or other entities belonging to the Issuer's group, and, in that context, may have access to information regarding the Issuer or its group, but the Distributor, the Lead Manager or their affiliates, as applicable, will be not obliged to, and may be prevented from, making such information available to potential investors.

Goldman Sachs International may resell any notes it purchases as principal to other brokers or dealers at a discount, which may include all or part of the discount the agent received from us. If all the notes are not sold at the initial offering price, the agent may change the offering price and the other selling terms, which may have a negative effect on the market price of the notes.

The Lead Manager, the Distributor and their affiliates may also have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform other services for us and our affiliates in the ordinary course of business.
